Important consideration when deciding to participate in Fish-Safe school lunch offerings:

Pomptonian's staff prepares and cooks a wide variety of meals and does not have separate equipment and space for fish-safe (FS) meal preparation. To minimize the chance for cross-contamination, the FS items that are available for pre-order, are prepared by trained staff with, as per the manufacturer's label, fish-safe ingredients.

Cut at this line and keep the above menu portion for your reference.
 Please submit lunch forms promptly.

"This institution is an equal opportunity provider."

Please use the number codes listed above to indicate your selections *for the month* on the order form below and return it by 1 week prior in an envelope to your school cafeteria. Please be sure to put money on your child's account prior to placing orders. It is important to go over the menu with your child. If your student is going to be absent on a day that lunch was ordered, please call the Food Service Director at 973-682-2801 before 8:00am the morning the student is to be absent.
